## Finally

### Author's Note:

Well this was a quick sketch so the line work is really messy.

Imagine after a long week of Jim having to work late almost every night and both of them being to exhausted to do anything but go too sleep soon as their heads hit the pillow. Lets not talk about the constant interruptions from Jim co-workers or Jane by accident. But tonight was the night, Jim was able to leave work early and Jane was spending the night over at Mikes house.

Which lead to both of them making slow passionate love.
